STEMMER IMAGING - Vision Technology Forum 2017

We exhibit!

On the 17th and 18th of October STEMMER IMAGING organized a

technology forum for all aspects of machine vision at Infinity Hotel Munich in Unterschleissheim.

(<http://www.stemmer-imaging.de/techforum>)

Inform yourself about the latest developments and learn more about topical trend themes.

The Vision Technology Forum is the perfect event to exchange ideas with machine vision experts in a pleasant atmosphere.

We look forward to welcome you at our booth.
